Steel shelving and Flip Top Storage File Combinations

Rigid commercial grade steel shelving for letter/legal and letter size files

STEEL SHELVING with FLIP TOP Files 440

Model 7600
42 inches wide, 38 inches high

\$29⁹⁵ 3 or more

Lets you stack letter/legal files four high, 3 across for convenient, space-saving storage. Shelving is sturdy commercial grade steel. Corner posts (4) are punched on 1-inch centers for maximum shelf-spacing flexibility. Edges on four shelves are crimped and bent down for built-in underbracing. Side braces prevent sway under load.

Tough gray enamel finish resists scratches and rust. Sent unassembled.

MODEL	DESCRIPTION	DIMENSIONS (inches)			SHPG. WT.	PRICE	
		Width	Depth	Height		Each	3 or More
7600	Shelving with 12 files	42	15	38	59 lbs.	\$31.95	\$29.95 ea
7601	Shelving only	42	15	38	38 lbs.	\$16.98	\$15.95 ea

Stacked two-high 7 shelves hold 21 440 letter/legal files

STEEL SHELVING for FLIP TOP Files 410

Model 7602
42 inches wide, 75 inches high

\$65⁵⁰ 3 or more

Stores 18 letter size files for maximum storage in limited space. Shelving is of the same rugged, commercial steel construction as our model 7600 above. To erect simply bolt posts, braces and shelves together (Hardware included.) Shelves adjust in 1-inch increments to exact height of your choosing.

Tough gray enamel finish resists scratches and rust.
Sent unassembled.

- SIDE BRACES PREVENT SWAY UNDER LOAD ■ SHELVES ARE CRIMPED AND BENT DOWN ON FOUR SIDES FOR BUILT-IN UNDERBRACING
- SHELVES ARE PUNCHED ON 1-INCH CENTERS FOR MAXIMUM SPACING FLEXIBILITY ■ FAST, EASY ERECTION.

This easiest of all files to set up
stores letter or legal size records

Snap-A-Matic

LETTER/LEGAL FILE

80¢
ea.
in quantity

The SNAP-A-MATIC Letter/Legal File is so easy to set up even the smallest girl in your office can do it instantly. Here's why: There are no flaps or tabs to secure, no tools, tape or glue needed, and no hard to follow instructions. To assemble simply square up the box, push down firmly with both hands—and PRESTO! It sets itself up.

The time saved over conventional files is obvious. Then add to that SNAP-A-MATIC's filing flexibility and low, low price and it's pretty hard to argue the fact. You get more for your record storage dollar with SNAP-A-MATIC than any other file we know of. Try it.

Corrugated fiberboard with double-wall, interlocking construction. Warp, sag-and split-proof. Separate cover overlaps two inches to seal out dust and dirt. White marble finish. Use with or without shelving.

easy access files for semi-active

Pull Drawer storage files

- for maximum storage in limited floor space
- drawer-style design for easy accessibility at any height

Imagine being able to stack your record storage files clear to the roof of a two-story bay—even higher, without steel shelving. A mighty feat? Sure it is. Using storage space to capacity? Absolutely.

But muscle and space-saving storage is only half the Pull Drawer story. Even more impressive are our factory-direct mail order prices. Prices about 40% below what you would have to pay for similar files (there are none quite like the Pull Drawer at any price) at your local stationery store. See for yourself.

For the sturdiest storage file of its kind . . . at rock-bottom prices, buy FIDELITY Pull Drawers. Factory-direct.

*Pull Drawers Stack Sky High Without
Jamming, Buckling or Sagging*

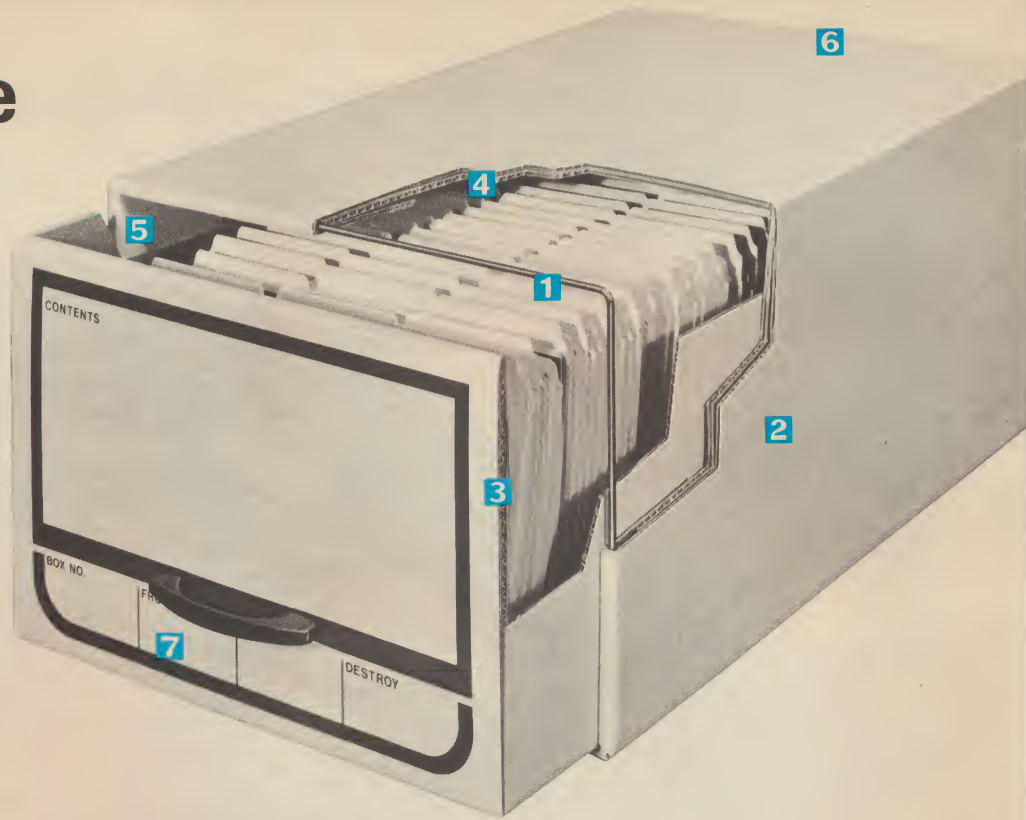

record storage

Structural Steel Frame Supports Pull Drawer Load for Sky High Stacking

Every PULL DRAWER carries its own steel framework as a part of the shell. A structural steel box-frame so each file can be securely stacked one on top of the other. And interlocked side-by-side, too. For maximum storage in a given space.

ONLY THE PULL DRAWER 1 Has a sturdy steel frame built into its shell **2** Is laboratory-tested to support up to 1100 lbs. without jamming, buckling or sagging **3** Has four thicknesses of fiberboard on front and back panels **4** Two thicknesses of fiberboard on top and sides **5** Recessed drawers to keep out dust and dirt **6** Hand holes in rear of drawer for easy carrying **7** Metal drawer pulls.

BUY FACTORY DIRECT—SAVE 40%—GET ALL THIS QUALITY AND MORE

Heavy-test Corrugated Fiberboard Construction Rough, tough corrugated fiberboard with highest impact and crush-resistant qualities. Extra liner on top, bottom and sides gives shell twice the strength of other files.

Sky-high Stacking Steel frame supports up to 1100 lbs. without jamming, buckling or crushing. Drawers pull easily at any height.

Dustproof Design Recessed drawer fronts keep dust away from records.

Front Office Good Looks White marble finish with crisp black graphics makes a handsome file anywhere.

Save You Two Ways Pull Drawers ship flat, store flat to save you freight and valuable storage space. Assemble in a jiffy.

COLOR-KEYED PULL DRAWERS

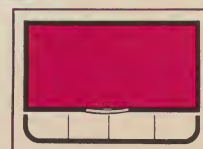

a splash of color for instant identification of contents . . . boosts filing speed and accuracy

The prettiest, cheeriest—and most sensible—record storage files ever. Color-decked Pull Drawers for at-a-glance record storage and retrieval. That really work.

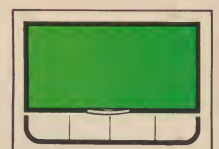

Consider: How color coded drawer fronts let you file Accounts Receivables in one color drawer . . . Accounts Payable in a second color . . . Purchase Orders in a third . . . Receiving Reports in a fourth color and so on for fast, accurate filing.

COLOR-KEYED PULL DRAWERS cost but pennies more. And they're a lot more fun to work in. Ask your file girls.

TOBY TIGER

Toy Chest

\$5⁵⁰
in quantity

the best friend a mother ever had

Here's a swell pet for every girl and boy. A friendly fellow. Colorful and entertaining and tough enough to ride. And with a big appetite for toys, a great mom-saver. Children love to ride Toby, to pull his bushy tail, to stick their head into his jaws—and to feed him toys. Which makes after play clean-up a great lot of fun.

Toby is tough. A real rough ride 'em toy chest of durable corrugated fiberboard that's plastic coated so smudges and writing wipe right off his orange and black stripes. Measures a trophy-size 25 x 14 x 13 inches tall. He's a bit flat on delivery (wouldn't you be too?), but shapes up easily.

MODEL 1140 Shpg. wt. 6 lbs. **\$5.95**
3 or more **\$5.50 ea.**

Book-Stor

\$5⁵⁰
in quantity

Holds up to 150 books

Gives you a "library" in your office, den, rec room (or college dorm) for little more than the price of a handful of paperbacks. Top, base and shelves are reinforced inside with sturdy 3/16-inch plywood to prevent sagging—even when loaded with textbooks or classics. Outer shell of heavy-test corrugated fiberboard has a handsome walnut woodgrain finish that is hard to tell from the real thing. 24 inches wide, 6 1/4 inches deep. Stands 27 inches tall. Ships flat, sets up quickly.

Durable Corrugated Fiberboard and Steel Throughout

Handsome walnut woodgrain cabinet ■ Cabinet and drawers of multiple layers of steel reinforced corrugated fiberboard ■ Fabricated metal frame over cabinet front for stacking ■ Storage capacity per drawer of 40 pounds ■ Steel reinforced drawers to prevent buckling, jamming or sagging ■ Metal channel over drawer dividers for extra strength ■ Deluxe metal handles ■ Metal index card holders.

1. Metal angle bars are built into each drawer front for under-bracing.

2. Structural steel supports between drawers prevent sagging under load.

3. Fabricated metal frame over cabinet front eliminates the need for steel shelving. Bears the load for cabinet stacking. Assures trouble-free drawer operation.

SINGLE DRAWER Flat Files

for toting, shipping, storing flat
sheet materials to 30 by 42 inches

Many customers have asked for these, now you can have them too. Individual storage drawers you can order as your needs grow for storing or transporting artwork, mechanicals, engravings, drawings, film flats, blueprints, charts, maps, graphs and all other large flat sheet materials.

THEY'RE PRACTICAL, EASY TO USE AND INEXPENSIVE Load through the flip-up panel at the top. Seal-in contents with overlapping front flap and metal turnbuckle lock. Stack one on top of the other for space-saving storage without expensive steel shelving.

STORAGE FILE An easy to use file for heretofore impossible to store documents. Stack without steel shelving.

DANDY TOTE Offers positive protection to large flat sheet materials in transit. Eliminates the need to roll valuable documents.

DEPENDABLE SHIPPER Seal in contents. Tape closed and ship for crushproof transit anywhere in the world.

Super-Strength Filament-Reinforced Bi-Directional Tape

An extraordinary new kind of tape for sealing, unitizing, bundling, palletizing, securing and 1000 other uses. Features fantastic strength and instant gripping power—which means you don't have to strap a carton all the way around for a perfect seal (saves tape, too). And unlike conventional tapes with glass strand reinforcing that strips lengthwise, bi-directional tape has a glass web reinforcing for super strength both lengthwise AND crosswise. It either comes off your package in one piece or not at all.

*Glass Web
Reinforcing
Provides Super-
Strength Both
Lengthwise and
Crosswise*

■ 275 Pound tensile strength ■ 50 ounce adhesion per 1-inch width ■ Bi-directional glass web reinforcing ■ mirror finish film backing ■ Meets government specifications PPP-T97C, type II, class B ■ 180 feet per roll.

SEALING. Seal cartons without using complete wrap-arounds.

UNITIZING. Combine packages into one unit. Reduce labeling time and shipping costs.

BUNDLING. Hold odd-shaped material, rolled material, pipes, lumber, cans and drums, molding, tubing together.

PALLETIZING. Hold units on skids during intra- and interplant shipments.

SECURING. Secure doors and shelves of appliances during delivery, parts bags to equipment.

PATCHING. Repair punctured or torn cartons.

FREE

dispenser included FREE with every 12 rolls of tape ordered—a \$5.95 value

The sanitary way to handle

Waste Can Liners

\$10⁹⁰

as little as
for 1000 liners

Sanitary maintenance was never easier. Poly Bag Liners protect the inside of your refuse cans and wastebaskets against the usual mess created by waste materials. Prevent food acids from corroding refuse containers. Save cleaning time because you simply throw-away the liner when full. Tough, buff polyethylene plastic liners.

How to Measure For Poly Bag Can Liners

Circumference: Measure the distance around the outside top of the can with tape measure.

Height: Measure the distance from the top to the bottom of can. **IMPORTANT:** Add 6 to 8 inches for overlap and base. If measurement is in between, use the larger size. For larger quantities write for quotation

- prevent odors
- resist moisture
- prevent seepage
- eliminate can and wastebasket washing

Heavy-Duty Industrial Roll Poly Bags

30 gallon bags less than
in quantity

6¢
ea.

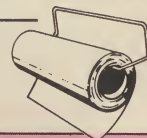

These are the extra heavy-duty commercial bags often used for feed and seed by the agricultural industry, and by many nurseries for bagging fertilizers, even earth. We think they're especially good for moist waste, but you'll find them extremely handy for any waste collection.

Extra-heavy weight 1 1/2 mil disposable plastic bags

- Bags are completely disposable—can be thrown away with refuse
- Leave nothing to clean up—no can to wash or spilled refuse to pick up
- Eliminates health hazards—used as a can liner assures a clean, fresh can, always
- Ends repair and replacement of cans
- Bags can be dumped easier than cans

work organizer clears desk-top clutter

Desk Toppers

- make every desk neat, orderly and efficient
- increase desk-top work-space
- organize your work in front of you, at your fingertips

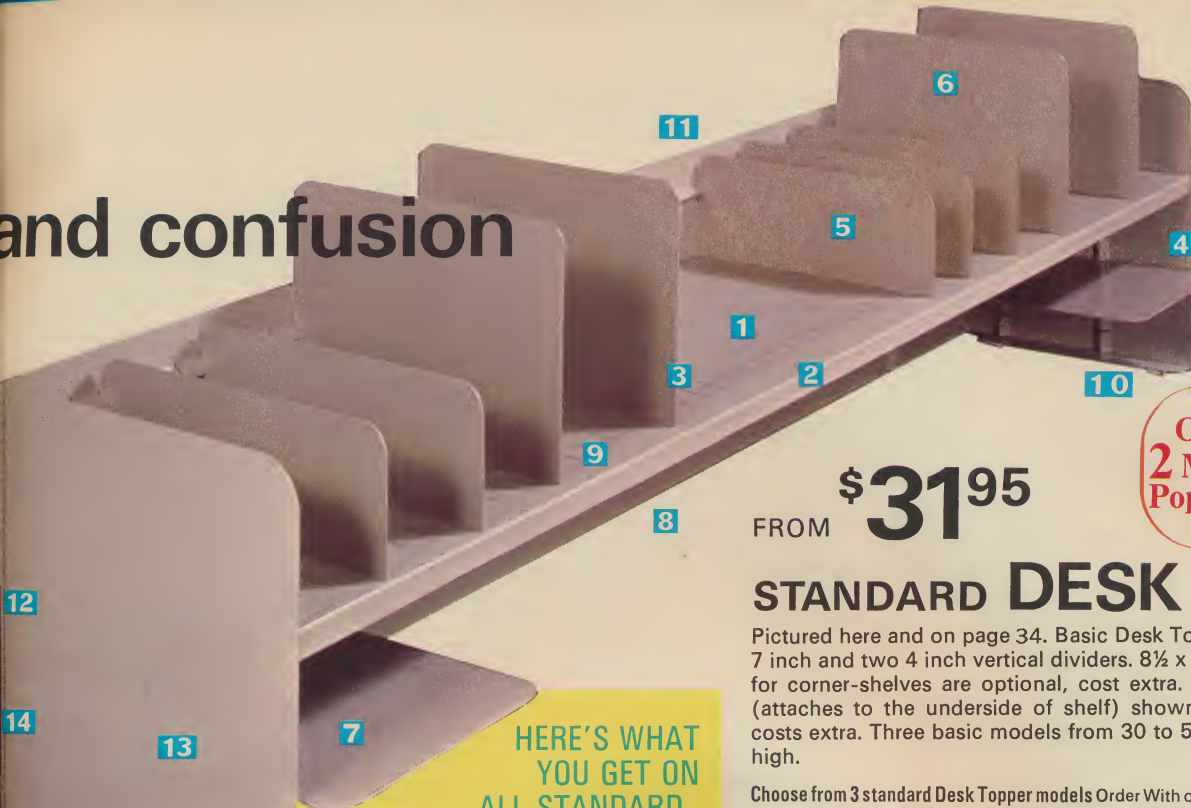

Here's a great idea for the man or woman who wants to work smarter, not harder. A sturdy, steel-strong shelf for the edge of your desk. An extraordinarily handy place for books, catalogs, directories, supplies and other materials important to your work, now stealing valuable desk-top work-space for want of a good place to put them. And it's a snap to install. Just set it where you want it. There are no nuts, bolts, screws or tools to fool with—nothing to do. Rubber feet protect your desk top.

Choose from eight fine quality Desk Topper models to best fit your personal requirements.

513C only

(for all Desk Topper models pages 34-37)

Colors are durable baked-on enamel. Won't fade. Resist chipping and cracking.

Offers the same convenience, the same time-and-motion savings as our standard Desk Topper shown above and on page 34, plus the distinctive good looks of beige enamel accented with walnut woodgrain (vinyl wood-grained laminate), front and sides.

Comes complete with three 7-inch and two 4-inch vertical dividers. The 8½ x 11-inch horizontal corner dividers (as shown) are optional, cost extra.

soft, quiet

Color-Plus Nylon Matting

puts an end to floor mopping

Fidelity Color-Plus Mats are made of the finest cut-pile virgin nylon carpeting, permanently micro-bonded to first quality vinyl backed with polyester. They are designed to resist the hard wear of heavy commercial use in high traffic areas. The dense pile (24 oz. weight per sq. yd.—nap height ½ inch) gives the feel of luxury but resists crushing. It removes dirt but is easy to clean; it captures moisture but dries quickly, thus preventing mildew and rot. The underside hugs the floor, won't slip or creep, and it is temperature resistant.

■ Every square yard of the beautiful matting captures a gallon of moisture ■ Shoes, boots, galoshes wipe clean ■ Cleaning costs are reduced ■ Soft, quiet, nylon matting ■ Washable

Choose from mats in 5 sizes or 60-foot rolls in 3 widths—5 colors
